Ultra-lightweight bottle, made of 18/10 stainless steel. Its compact dimensions make it easy to carry with you wherever you go. Bottiglia a singola parete, ultra leggera, realizzata in acciaio inossidabile 18/10. Le sue dimensioni compatte la rendono facile da trasportare ovunque tu vada.

HOT^{or} COLD

**Insulated interior,
condensation-free exterior.**

Thanks to the special copper coating placed between the two steel walls, Twin models keep your drinks at the desired temperature for long periods. The lid is double-walled too, for even better insulation.

Le bottiglie Twin mantengono a lungo le bevande alla temperatura desiderata, con la massima tenuta e senza condensa all'esterno, grazie allo speciale rivestimento in rame tra le due pareti in acciaio. Anche il tappo è a doppia parete per un migliore isolamento termico.

Light models are the ideal take-everywhere solution for perfect, continuous hydration.

Le bottiglie Light sono compatte e ultra leggere: la soluzione ideale da portare sempre con te, anche in borsetta, per una perfetta e costante idratazione.

Wide
Mouth

The wide opening, on all models, is made of unpainted 18/10 stainless steel and makes it easy to add ice cubes, facilitates cleaning and is more comfortable for both filling and drinking.

L'apertura - mantenuta in acciaio inox 18/10 non verniciato - è ampia in tutti i modelli, così da agevolare l'inserimento dei cubetti di ghiaccio e facilitare la pulizia, oltre che essere ottimale per il riempimento delle bevande e rendere più comodo bere. P/5

Water for Bugatti

Water is the origin of life.
It is also the source of the alternative and renewable energy we generate for use in our production sites.
At Bugatti Group we have always put Well-being, Sustainability and Ecology at the centre of what we do. Today, a large part of our energy requirement is satisfied by the Group's hydroelectric power station. By 2025, we aim to obtain 75% of our energy from renewable sources. B Bottles reflect our commitment to reducing our environmental impact, improving your well-being and safeguarding the health of the planet.

L'acqua è la fonte della vita.
E' anche la fonte di energia alternativa e rinnovabile che generiamo per l'uso nei nostri siti produttivi.
Come Gruppo Bugatti da sempre mettiamo al centro Benessere, Sostenibilità, Ecologia.
Oggi buona parte del fabbisogno di energia è coperto grazie alla centrale idroelettrica del gruppo. Per il 2025 puntiamo a coprire il 75% del fabbisogno energetico da fonti rinnovabili.
Le bottiglie B Bottles riflettono il nostro impegno nel ridurre l'impatto ambientale, migliorando il vostro benessere e la salute del nostro pianeta.
